### Mouse and Mole

What will Mouse and Mole find to do tomorrow? They set out their plan: a picnic of cheese and cucumber sandwiches if it is a fine day, or roasted chestnuts and toasted muffins in front of an apple wood fire if it is wild and wintry. But what will they do if it is an in-between sort of day?

**Joyce Dunbar** is a prolific children's author who has published over 80 books, translated into 20 languages.

Joyce has also written many stories for radio and television and contributed to several anthologies. The Mouse and Mole series remain some of her most treasured work.

**James Mayhew** is an English illustrator and author of children's books, a storyteller, artist and concert presenter/live art performer. His works include the much-loved and bestselling Katie and Ella Bella Ballerina series, as well as the classic children's story *The Knight Who Took All Day*, re-issued by Graffeg in 2017, and *Gaspard the Fox*, with author Zeb Soanes.
